BEES TOP RATINGS

Ratings for WBHS - Channel 85 were recently released. Brecksville High School students topped the list in all categories from academics to spirit. Bee fans raved about this year's programming.

In the category of academics Brecksville students received a high percentage of first place votes. Andy Shaw gained recognition when he earned the third highest score in the nation on the PSAT. Carl Dever, Junko Munakata, Andy Owen, Karen Perdion, Andy Shaw, Bob Stephens, and Chris Toth became National Merit Finalists. In December, 14 seniors and 42 juniors were inducted into National Honor Society. The Whiz Kids and members of the Academic Decathlon continued to enjoy success this year. marketing and business which qualified the two girls for state competition in Columbus.

Athletics held its place in the ratings. The gymnastics team traveled to Columbus to compete in the state meet after taking first place in the Pioneer Conference. Lisa Barich was a name to follow in gymnastics; she received the Pioneer Conference Most Valuable Player award, and head coach Gayle Lang was named Pioneer Conference Coach of the Year. Football and basketball struggled in the won-lost column, but the two sports were champions in drawing the largest number of spectators. Volleyball, soccer, track, and wrestling remained favorites with the student body.

Along with academics and athletics, the arts at Brecksville enjoyed a tremendous amount of success. Ratings for art related activities jumped two points from last year. Mrs. Herchler, director of the fall play and spring musical, attributed the jump in ratings to the strong male talent. Interest in theater was up considerably. One hundred students auditioned for **Guys and Dolls**. Other Drama Club activities included the fall play, the Santa and elf program at Brecksville Center, a make up demonstration for a local girl scout troop, and a trip to New York City.

In addition to the successful theater department, the art and music departments also had a banner year. Nine art students had their works displayed at the Cleveland Institute of Art. Amy Haddad, Patricia Talani, Thomas Starinsky, and Laura Swenten had their art included in national competition in New York City.

Tina Thonnings, Jennifer Moore, Sue Hartley, and Todd Walburn salute.

The band and choir again entertained the student body and local residents at various functions.

Brecksville hosted the Pioneer Conference Jazz Festival and also participated in the Lakeland Community College Jazz Festival.

Involvement in school and civic activities was contagious. From Spirit Week in September to graduation in June, students exhibited promising qualities in leadership and citizenship. A successful food drive in December

and a record breaking blood drive in February earned students recognition.

Students took an active part in Fall and Winter Homecoming, the Prom, Spirit Week, Halloween, and Senior Class Night.

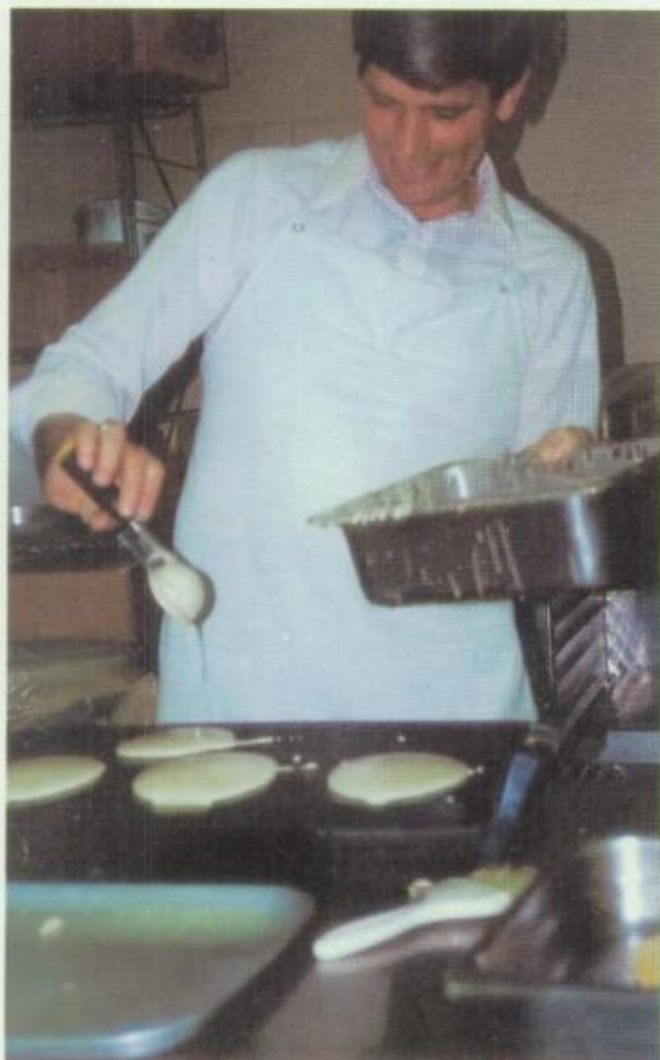

Critics reviewing the year commented on the spirit, loyalty, and enthusiasm of Brecksville High School students. The vivid colors of red and gold, the many banners, the warmth and friendliness of students and faculty, and the dedication to success all contributed to Brecksville's number one rating.

LEVY: YES

With the passage of the 3.95 mill levy on November 6, it was possible for all school activities to return to normal in January. This levy would have never passed if it had not been for the strong support of the students, parents, faculty, school administrators, and the communities of Brecksville and Broadview Heights.

Students did a phenomenal job backing the levy campaign. National Honor Society members campaigned door to door to ask residents for their

support and to distribute literature. Educating the community about the vital importance of passing the levy was a goal of the levy committee. The committee wanted all residents to know the importance of the levy to the life of the school system. The art department and the cheerleaders made large colorful signs.

Athletes carried these signs during rush hour at local intersections. Students from Miss Pozmann and Mrs. Tener's art classes designed posters for display in local businesses. The Home Economics department held bake sales, and the senior

Office Practice class under the supervision of Mrs. Jimenez operated a mail room and sent 1300 absentee ballots to BHS graduates. Mr. Kronick organized levy operations and met often with students and faculty.

All school personnel assumed an active role in the levy campaign. A pancake breakfast was held; administrators acted as chefs, and students and faculty provided live entertainment. Faculty and parents also worked together as petitioners and canvassers.

Community spirit and a high regard for education guaranteed the success of the levy. By passing the levy, Brecksville and Broadview Heights expressed a sincere interest in continued academic and athletic excellence.

HOMECOMING FUN FOR ALL

Spirit Week arrived at BHS on September 22, and everyone knew that fall homecoming was just around the corner. Students used this week to get psyched for the grand finale, the homecoming football game

and dance.

Rolling drums ignited Bee spirit each day. Before 7:30 a.m., the band marched through the halls, and students, dressed in outlandish red and gold costumes, followed the band clapping, cheering, and

Prior to kick off, Patsy Schneider was crowned homecoming queen and Carl Chiappetta was crowned king. Lisa Barich, Cheryl Bowers, and Karin Kowalski were named to the queen's court. The king's court consisted of Jack Gaspari, Matt Quinlan, and Tom Beaver.

Brecksville and television have much in common. Both offer a wide range of programming. Art, creative writing, humanities, languages, computer science, and advanced math and sciences are a sampling of the many different classes available to Brecksville students.

Students assume their assigned roles and work hard for 180 days. Daily repetition of reading, writing, and arithmetic sometimes becomes boring, but the cast of students always reviews their script.

ANOTHER WORLD

'85 TOPS THEM ALL

"Look at those pictures."

"That's not me ... I was cute? Wasn't I?"

First grade seemed ages ago to this senior class. Who would ever expect those tots with braces, runny noses, pigtails, and squeaky voices to blossom into the fine graduating Class of 1985? Moms and Dads sometimes wondered if '85 would ever become a reality and students had the same doubts. It was obvious they had made it when their names echoed through the Coliseum.

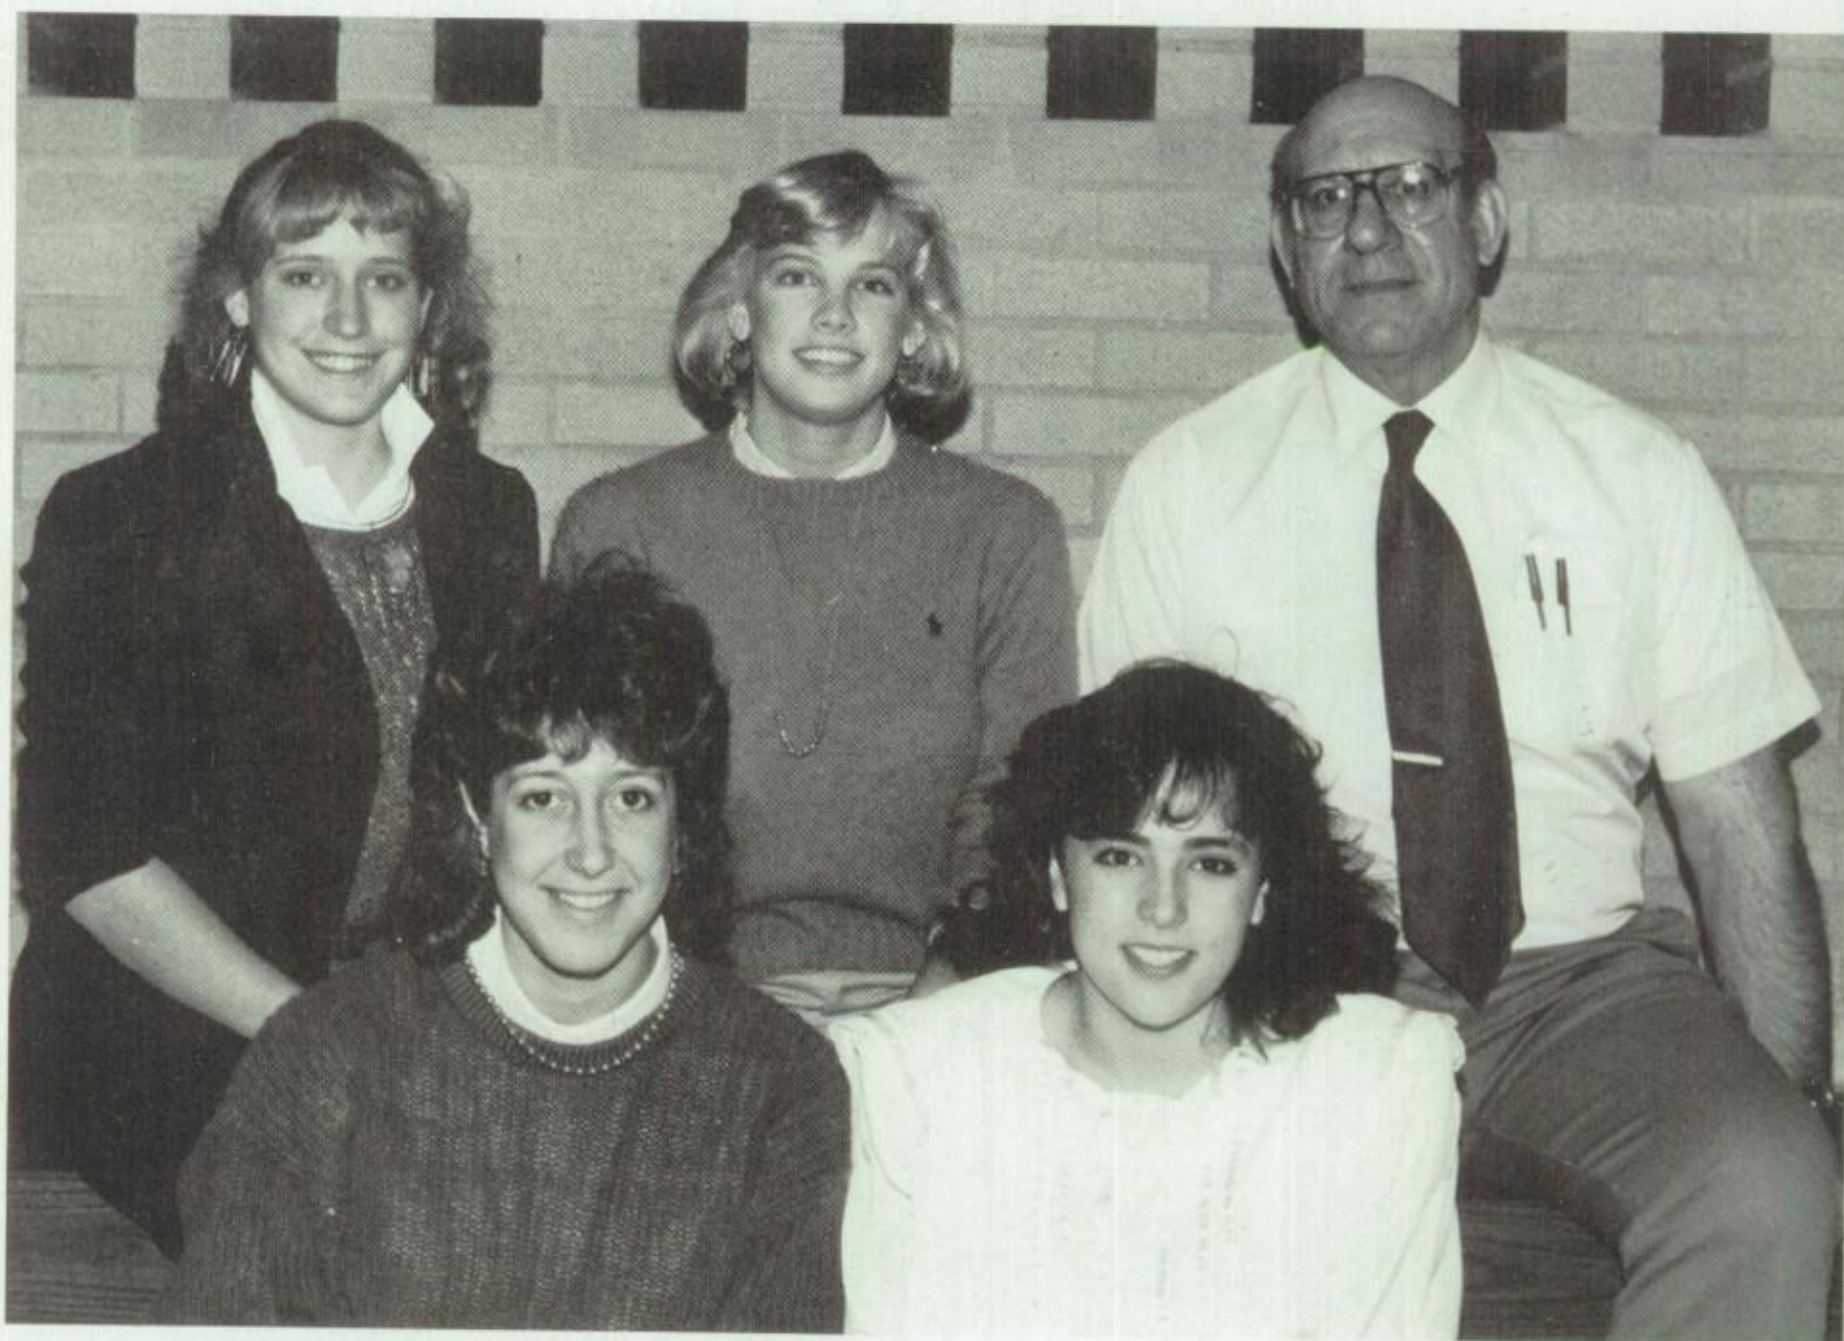

The Class of 1985 had finally

made it to the top! The senior year went by quickly and was filled with many activities. Participation in the levy campaign, Homecoming, New Year's friendship dance, and other events helped to make this class one that will long be remembered.

Not only was this class socially active but also academically successful. Presidential Scholar, Semi-Merit Finalists and scholarships were just some of the awards given to students.

Memories were many. Begin-

ning with senior pictures in August and progressing to ordering graduation announcements, writing term papers, planning senior cut day, worrying about dates for Prom, and anticipating graduation, the senior class will look back on these days as the very BEST.

IN MEMORY MARK LEE

We think we are vital, act like we're great, that life without us would be one of hate. We live our days a step from fate, never to know that it's never late. In store for us is a blinding truth, if we don't see the light, life will be ruthless.

If we could only believe, and quit being naive. The pressure of death we could relieve. The wrath of man is our worst fear, but to our minds this won't adhere. Fate is never late and we just won't hear.

If I ever get outta here with my sanity still near my power of will has beaten the fear. With fate on your back you find no room for slack keeping yourself from the Black . . . cold . . . Black. Black that begins the hopeless ending. At the finish of the end the strong shall thrive. Open the doors my soul has arrived.

Senior Mark Lee was killed in a tragic car accident April 19. He was a friend to us all. His humorous personality, smiling face, and friendliness will be missed by all who knew and loved him.

Mark loved cars, music and family. He wrote poetry and played the drums. The above poem was written by Mark Lee.

JUNIORS

ONE LIFE TO LIVE

'86 UNITES

Joining together to form one, that's unity. Unity is the essence of success in academics, athletics, families, and in politics. Comparable to the outside world, unity is much needed in school. It brings a class close together and encourages spirit and loyalty.

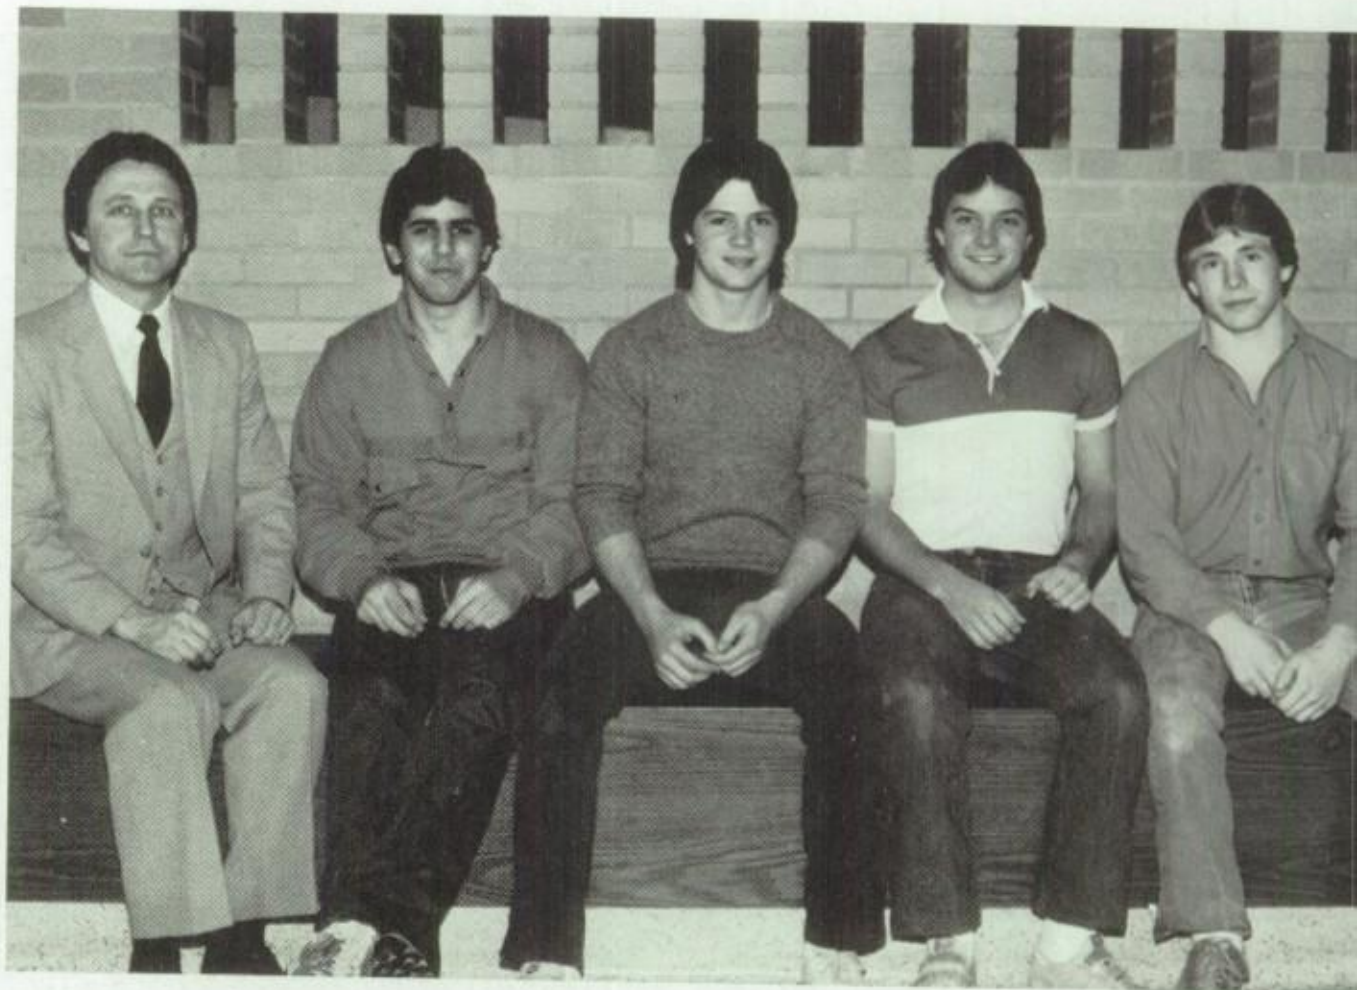

Through a number of activities and events the class of 1986 achieved parity in unity. Under class president Chuck Abookire and officers Steve Bonamer, Jay Janowski, and John Bronstrup, the juniors experienced an eventful year.

The junior class kicked off the school year with a successful car wash. Money earned from the car wash helped finance the second class project which was the homecoming float. Juniors worked day and night until the last tissue was in place. For their effort the juniors received for the second time first place in float competition.

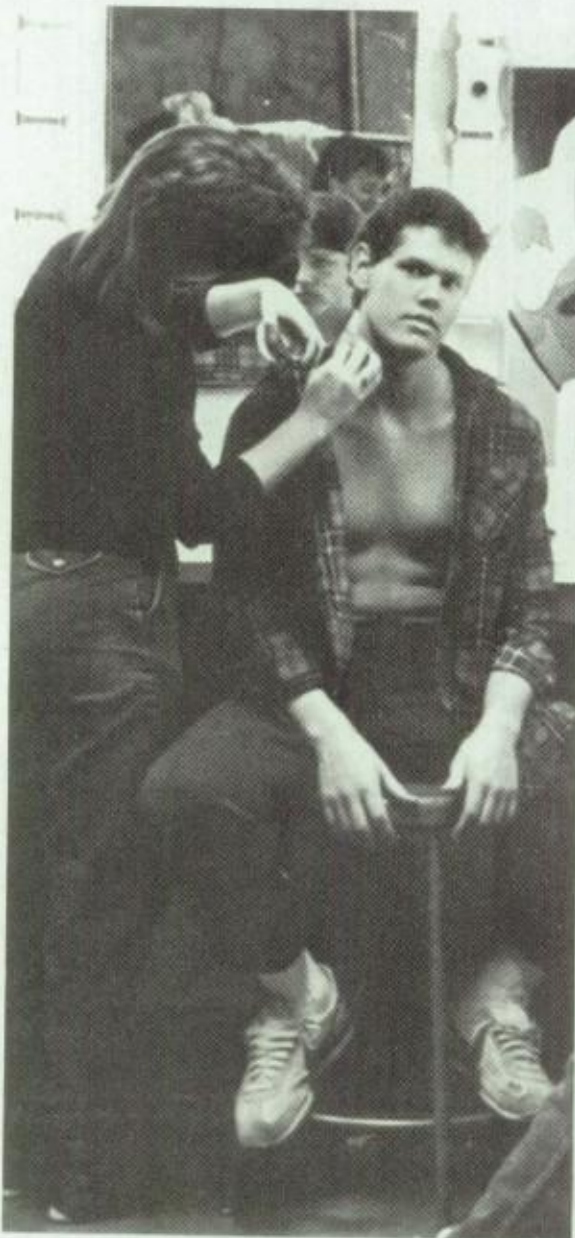

Probably the year's single most successful fund raiser was the magazine drive. The fund raisers surpassed their goal and participants received a generous gift.

The final saga for the junior class was the Prom. With the student body knowing that it's tradition for the juniors to fund and to plan the Prom, the class united to end the year with style. Held at Swingo's in the Statler, the juniors presented a prom that will long be remembered by all.

The class of 1986 proved that with unity all goals are attainable.

Junior class officers and adviser: Adviser: Mr. Harbuck; President: Chuck Abookire; Vice President: Steve Bonamer; Secretary: Jay Janowski; and Treasurer: John Bronstrup.

"where fine education is a heritage"

December 9, 1984

To Sarah Nelson — The Student I Didn't Have . . .

Dear Sarah,

Your name is entered in my grade book, but there are no marks behind it. Your chair is unoccupied in my fifth period class — the chair right in front of my desk, by the alphabetical seating I start the year off with. I had very much looked forward to teaching you, for I'd heard so many compliments from your previous teachers. Like a coach eagerly looking forward to promising new material, and a new season, I was anticipating happy classroom times reported by my teacher friends: stimulating discussions, joking back and forth, notes on your papers — all the things that make teaching at Brecksville High so enjoyable.

Your many young friends are in a sad mood, Sarah, but also a thoughtful one, and I've tried to help them find something positive from your experience, and your family's. If nothing comes from a life like yours, and the support of a family like yours, then Life is, as MacBeth despaired, "A tale told by an idiot, full of sound and fury, signifying nothing." But we all know better! "We all know that something is eternal . . . and that something has to do with human beings . . . There's something way down deep that's eternal about every human being," the wise Stage Manager in *Our Town* insists. (You'd have read that play with us this year, Sarah, and I know you'd have enjoyed and profited from it.)

So here's what I told your schoolmates about you, and about themselves, and about all of us:

1. Trouble comes to all, soon or late — and the measure of a person is how he or she faces up to it. We have learned much from your courage, and from your family. We will remember, and be inspired, as we, too, struggle with the evils of the world.

2. We who presently are so fortunate, and particularly your young friends whose lives stretch seemingly endlessly before them, need to be reminded occasionally that we should make the best use of our time, and our blessings, and to appreciate them, to fulfill our promise as human beings and as God's creations. You and your family were selected to deliver this reminder at this time in our lives, and we are the better for the soul-searching and the meditation your experience forced us to reflect upon.

3. We need to help each other cope with life's problems — the little ones we always have, and the bigger ones, such as yours, that may be before us in our journey through life.

I could tell from the faces of your friends, Sarah, as I discussed these matters, that they understood. I feel confident that they will live better lives because of *your* life. You and your family have greatly inspired these students and the whole B.H.S. family and we are all the better for having had you in our midst. You wore that turban, your "red badge of courage," like a princess — head high, smiling often, surrounded by friends — we all noticed, and we all loved you for it!

So, young lady, this is my tribute to you — student I never had — and to your family. I wanted you to know of my admiration and my affection.

Love to you all,

"Doc" Waickman
The teacher you didn't have

SOPHOMORES

THE YOUNG
AND THE RESTLESS

SOPHOMORES KNOW THE ROPES

By the beginning of the sophomore year, "The Young and the Restless" were into the swing of high school life. Coming back to familiar faces and familiar surroundings made it easy for the class of 1987 to feel right at home at BHS.

Evidence that the sophomores had settled in became apparent when they began to represent the school in athletic contests, marching band, drama, cheerleading, Honeybees, and many other school clubs and activities. Five sophomores were inducted into Thespian Troupe 1260. The Hugh O'Brian Award, given for sophomore leadership, was presented to Mark Lindow.

The Class of 1987 showed their spirit and enthusiasm when they participated in Homecoming festivities. The '87 float followed the theme of Patriotism by showing a Bee coming out of Uncle Sam's red, white, and blue hat.

Planning ahead for next year's Prom, the sophomore class held fund raisers. Pretzels and roses were sold.

This year, one of class rings, driver's licenses, first dates, and sweet sixteen, proved to be full of fun, excitement, and many new experiences.

FRESHMEN

ALL MY CHILDREN

FRESHMEN ADJUST TO NEW LIFE

Everyone knows that coming to the Senior High School as a freshman is an overwhelming experience, but it didn't take long for this year's freshman class to adjust to the exciting life at BHS. Freshmen exhibited exceptional skills in academics, athletics, and other extracurricular activities.

Through hard work and determination the freshmen won second place in the Homecoming float competition. Their second significant accomplishment at BHS came when the class donated the most cans for the Christmas food drive. Freshmen continued to excel during the school year. Tracy Szustak captured the lead in the spring musical, *Guys and Dolls*. Six freshman girls were chosen for the 1985-86 fall and winter cheerleading squads. Academically, the freshmen achieved status by having eighteen students named to the Honor Roll.

Motivated by spirit and enthusiasm the freshmen attended many school activities. Their support was felt at pep assemblies and athletic events.

The jitters of coming to BHS disappeared early, and the freshmen quickly adjusted to their new environment and the independent life of Senior High School.

The freshman class officers and their advisor: President: Norman Baur; Vice Pres.; Laura Coneglio; Treasurer: Amy MacKay; Secretary: Cris Dimarco; and Advisor: Mr. Ziebro.

MARCHING BAND

The song "Seventy-Six Trombones" from the *Music Man* is a perfect description of this elite group of musicians known as the Brecksville High Marching Band. The band is composed of bubbling music fanatics.

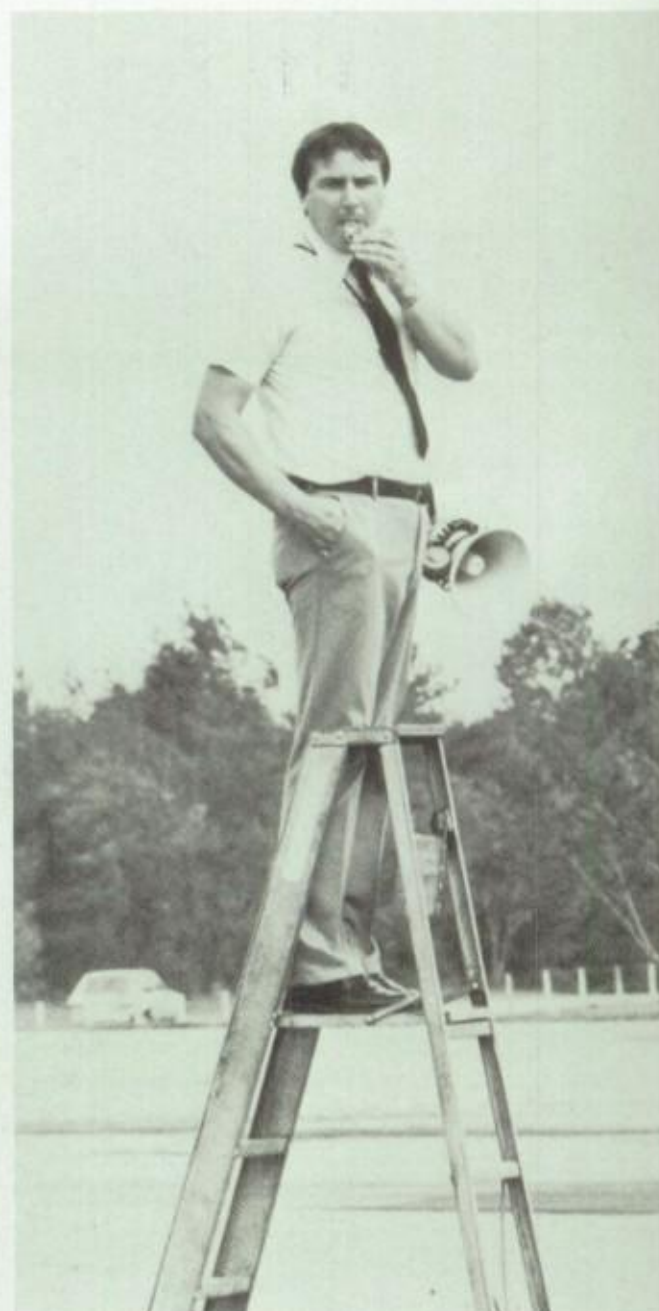

The marching band plays at football games, pep rallies, and parades. With a sprinkle of excellence from their director Mr. Roytz, the band practices daily for perfection. Their performances reflect talent, skill, coordination and countless hours of practice.

JAZZ BAND

Jazz Band or "Stage Band" is a group of wild-n-crazy musicians led by Mr. Roytz. Tired of slow music that drags on, these future rock stars play upbeat and popular music. Their music gets the adrenalini flowing and puts a quarter in the jukebox of the mind.

The Jazz Band entertains the audience with a real "Big Band" sound.

Drama Club is a mixture of budding young actors and actresses, "techies," and other theater oriented people who have vigorously worked on plays, concerts, and other numbers put on in the BHS auditorium. The talents of these students are overflowing. They even run the Gore House of Bloodview Hts. Their advisors are Mrs. Herchler and Mr. Trotta.

Karen Koeth, Dari Deuch, and Junko Munakata team up at open house.

THESPIANS

A thespian is a dedicated drama club member who has put in countless hours of work in theatrical activities. This is a group of people who have sacrificed time, energy, and sometimes grades to keep the drama club going. The advisor is Nancy Herchler.

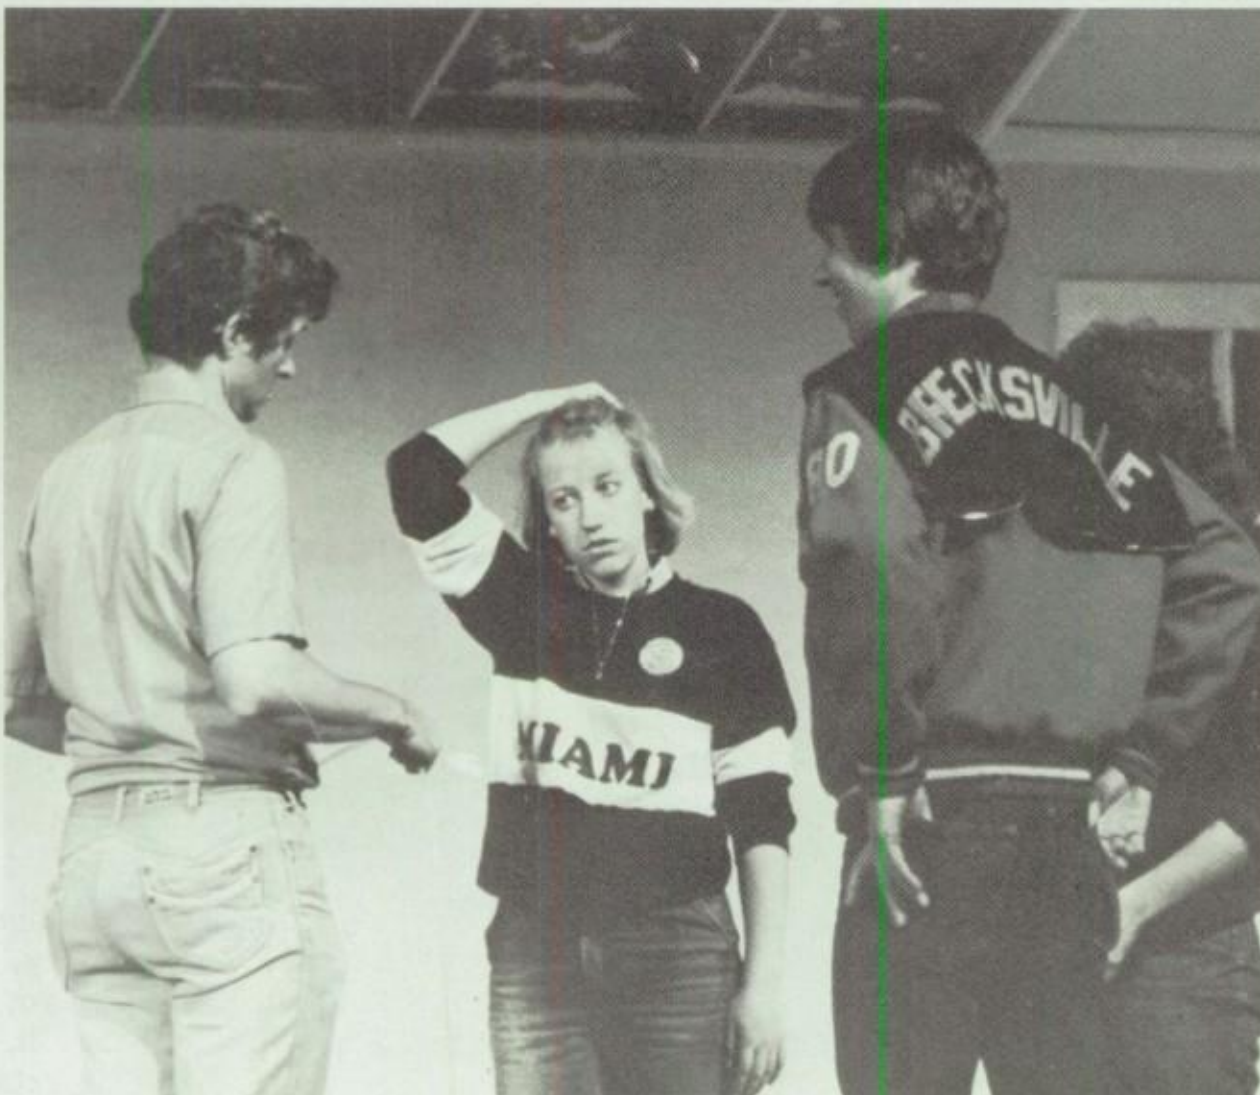

Dari Deuch tends the Thespian table.

BACKSTAGE CREW

The work that the backstage crew does is rarely acknowledged, yet without it, all productions at BHS would be impossible. The backstage crew is in charge of running the lights, curtain, and everything else that gives a BHS play all the glamour of a Broadway production.

Thespians: K. Thomas, A. Owen, A. Albrecht, S. Shot, M. Laspisa, C. Dever, B. Bittle, C. Catalano, G. Koeth, S. Kan, L. Culver, A. Bolinger, W. Beebe, N. Dross, C. Webb, T. Petek, D. Wright, S. YEARBOOK

"Where is the cropper?"
 "How many picas?"
 "What is the point size?"
 "How many lines per inch?"
 HELP!!!

Publishing the yearbook was an overwhelming task, but the finished product made it all worthwhile. Hours . . . endless hours . . . after school . . . weekends . . . even during summer vacation the staff worked hard to produce a book that would capture memories of the school year.

HY-BREEZE

Extra, Extra, read all about it.
"Hy-Breeze hot off the presses!"

The Hy-Breeze is the school newspaper. With editor Lisa Golmitz and adviser Mrs. Giffen, the Hy-Breeze won awards in newspaper competition this year. Future journalists, critics, photographers, and artists inhabit the Hy-Breeze office and contribute to its production. Trips to various malls scouting for ads or going to journalism seminars enhance this group's field trip list.

"Sorry, Mrs. Giffen, what did you say? I have had something on my mind lately."

QUILL AND SCROLL

Quill and Scroll members are active members of the student body who not only meet the requirements of N.H.S., but must be good writers as well. Hy-Breeze Yearbook, and Literary Magazine staff members are the only eligible candidates. Creative writing, unique style, and ability to keep the reader interested mark some of their writing traits.

New members of the junior and senior classes are inducted once a year at banquet in honor of them. This small, elite group doesn't hold meetings. It is an honor to hold this title.

Quill and Scroll: Stacey Steffas, Charley Lynes, Jeff Kempfer, Rick Tawney, and Bill Leach.

LITERARY MAGAZINE

Shakespeare, Byron, Dickinson, and Longfellow don't compare with the lyrical writing of the Literary Magazine. Poems, short stories, sonnets, and even artistical work goes into this collaboration. Made possible by Ms. Ford, the adviser, and a small, but dedicated staff, this magazine tries to present the uncanny, but poetic side of BHS.

The Wire staff: Mike Torok, Alice Denton, Rachel Forepaugh, Sharon Kissel, Yvette Cua, Jessica Hook, Andy Shaw, Chris Toth, Bill Leach — Editor.

LAB ASSISTANTS

Lab Assistants are the sinister-looking creatures that inhabit the storerooms of the science department. Some of these mysterious people mix chemicals for chemistry class, feed the animals, or prepare labs for physics class among their other many duties.

Ken Steffan, Bob Schmidt, Amy MacKay, Gabe Torok, Bill Leach, Karen Koeth, Alice Denton, Susan Lee, Sharon Kissel, Kim Brennan, Peter Rexer, Eric Lund, Vanessa Savas, Laura Owen, Judy Zitnik, Sue Mraz, Paul, Jagodik

YOUTH AND GOVERNMENT

Youth in Government is a state funded group of politically curious students learning how to pass bills and make laws. Their meetings are like those of the state legislature. The adviser is Mr. Crognale.

STUDENT COUNCIL

Student Council is the governing body of the students. The council is concerned with the way the school functions. It is made up of officers, chairmen, class officers, and representatives at large.

Some of the councils most important activities are the canned food drive, homecoming dances, and operating the concession stand.

Mrs. Jiminez is the adviser.

NATIONAL HONOR SOCIETY

To be inducted into National Honor Society it helps to be versatile. Being active in sports, having a 3.0 average, doing charity work, and just enjoying life are requirements of this honored group. Open to only juniors and seniors, N.H.S. is a symbol of personal achievement

and a well respected title. This year at induction when the candles of service, leadership, character, and scholarship were lit, Mrs. Rita Braden was honored for all her dedication and work with the society.

This group arranges the "Beach Party," College Night, and private tutoring sessions.

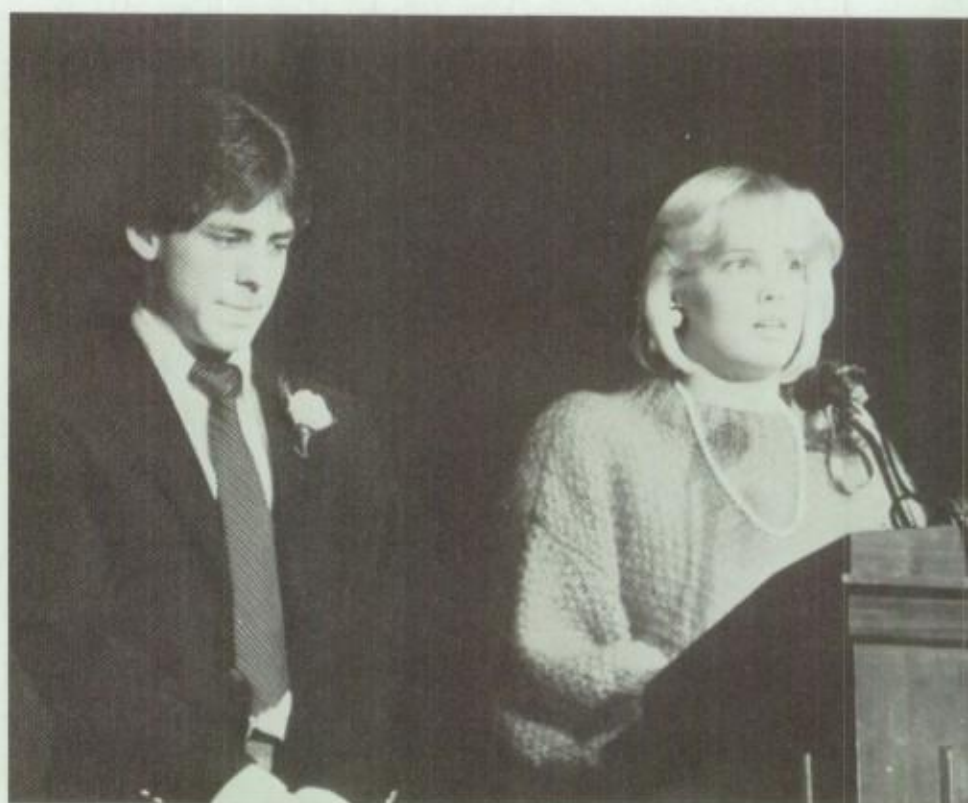

Honored for her dedication to N.H.S., Mrs. Braden expresses her thanks.

Andy Albrecht, president of N.H.S. lights the candle.

"Is that you out there, Mom?"

ACADEMIC DECATHLON

Olympic games in sports may be held every four years, but the academic olympic games are held every year. The spirit of academic competition is at its peak as nine students from each school compete in such events as speech, essay writing, and a series of tests. People with different grade point averages are chosen to compete against equals from other schools. The athletic exertion of energy by the athletes could be matched with the mental strain of the students. With adviser, Mr. Berg, the team strives for victory.

The Academic Decathlon Team: Andy Shaw, Junko Munakata, George Dwyer, Charley Lynes, Katy Martin, Beth Magistro, Leslie Culver, Paul Jagodik, and Tom Hamilton

WHIZ KIDS

Whiz kids aren't humans with extra large heads and brains, people that walk around saying $e=mc^2$, or nerds with their head in a grammar book 24 hours a day. Instead, they are normal students who enjoy testing their ability for quick recall. This is somewhat like trivial pursuit with a time limit.

This year's team was hot. Adviser Miss Carla Calevich led the team to second place, losing only to Midpark.

Whiz Kids: Yvette Cua, George Dwyer, Kyle Lamb, Andy Shaw, Kathy Thomas, and Elke Vogt

Biology Club: Jeanette Hazard, Yvette Cua, Lisa Golmitz, Kathy Thomas, Jennifer Falko, Laura Moeller, Sharon Kissel, Susan Geraci, Evelyn Emerich, Amy MacKay, Joe Spagnuolo, Dale Elwell, Karen Perdion, Terri Petek, Chris Toth, Joe Vasko, Mike Powers, Susie MacKay, Mike Coleman

BIOLOGY CLUB

Biology Club is a group of outgoing, nature loving students who like to go skiing, canoeing, and on other adventurous expeditions, but Biology club isn't all play. They sit in on talks about different biology oriented occupations and see slides of marine life in other parts of the world provided by the adviser Mr. Berg.

Art Club: Lorri Kenyon, Lisa Golmitz, Alice Denton, Mike Torok, Eve Popadopoulos, Evelyn Emerich, Vic Fedorchak, Kara Kyle, Audrey Saccogna, Linda Burkhart, Diane Tetzlaff, Mary Dolezal, Megan McNamara, Tracy Bashette.

ART CLUB

Art Club is an organization of people who enjoy art and having a good time with it. Ms. Pozmann is the adviser of these future "Michelangelos." The Art Club participates in the Haunted House. This year the group went to Chi-Chi's. The group helped to pass the school levy by making signs.

HOME EC CLUB

A teaspoon of patience, a cup of talent, a dash of precision, and a liter of fun make up the recipe for Home Ec Club. With Adviser Mrs. Gartner, the Home Ec Club bakes delicious, mouthwatering dishes that leave their aroma throughout the halls of the high school. The bake-off is probably the biggest event of the year . . . and who said slaving over a hot stove isn't fun? Yum!

"I just ate what?"

Chris Ganim shows off her creation.

Home Ec Club: Mary Stankiewicz, Chris Ganim, Barbie Culver, Lisa Mata, Betsy Irick, Susie MacKay, Claudia Boyd, Meridith Malec, Laurel Englehart, Barb Malloy, Sharon Harsa, Amy MacKay

BOWLING CLUB

What is the Bowling Club? The Bowling Club is a group of young bowlers under the direction of their adviser, Mrs. Karen Smith. This group meets and competes out of school. The club organizes its own games.

Bowling Club: Jim Hamilton, Brad Englehart, Matt Hargett, Paul Grimm, Jim Segroves, and Mrs. Smith.

KEY CLUB

Key Club doesn't make keys, but money instead. They are a student organization sponsored by Kiwanis Club. They are the right arm of the school's money-making system. If the school needs extra funds, this club raises them.

The shivering figures in the concession stands and the sad puppy-faced kids going door-to-door for canned food are one in the same. Busy as little beavers, these students strive to help keep the school supplied. Their adviser is Mrs. Kovach.

Key Club: Doug Vasulka, Beth Lacjac, Thom Melcher, Patsy Schnieder, Scott Teaman, Amy Mates, Mark Lindow, Amy Haus, Krista Cavanagh, Betsy Cinadr, Laurie Starre, Tony Daniels, Sue Mraz, Hope Tillman, Karen Bailey, Rhea Pimentel, Sharon Harsa, Cherry Bochmann, Sandy Strohm, Nicole Romito, Tanya Alberty, Wendy Dobbs, Cathy Segroves, Vanessa Paradise, Kathy Ferko, Collette Dewolf, Kaori Chu

MORNING ANNOUNCERS

"Rise and Shine" or the bugle call may be what you get in the army, but not at Brecksville High. Ask for the date and the activities of the week and you shall receive. This group's job may seem trivial, but living without it is like living without the newspaper or radio.

Morning Announcers: Patsy Schneider, Dale Elwell, and Rachel Forepaugh

LIBRARY AIDES

Lurking about the shelves and ducking into the backrooms of the library are many busy students. Why? Because these are the library aides of BHS. These students spend their study halls and spare time helping the librarians. They shelve books, help with the A.V. equipment, and help keep the library looking neat.

Library Aides: Brad Hart, Sue Blazik, Elke Vogt, Terri Petek, Pam Avey, Chris Toth, Ariel Soto, Sue Geraci, Eve Popadapoulas, Karen Perdion, Evelyn Emerich, Lisa Gerhart, Kathy Thomas, Cherry Bochmann, Anita Shaw, Lisa Golmitz, Cathy Segroves, Kara Kyle

GERMAN CLUB

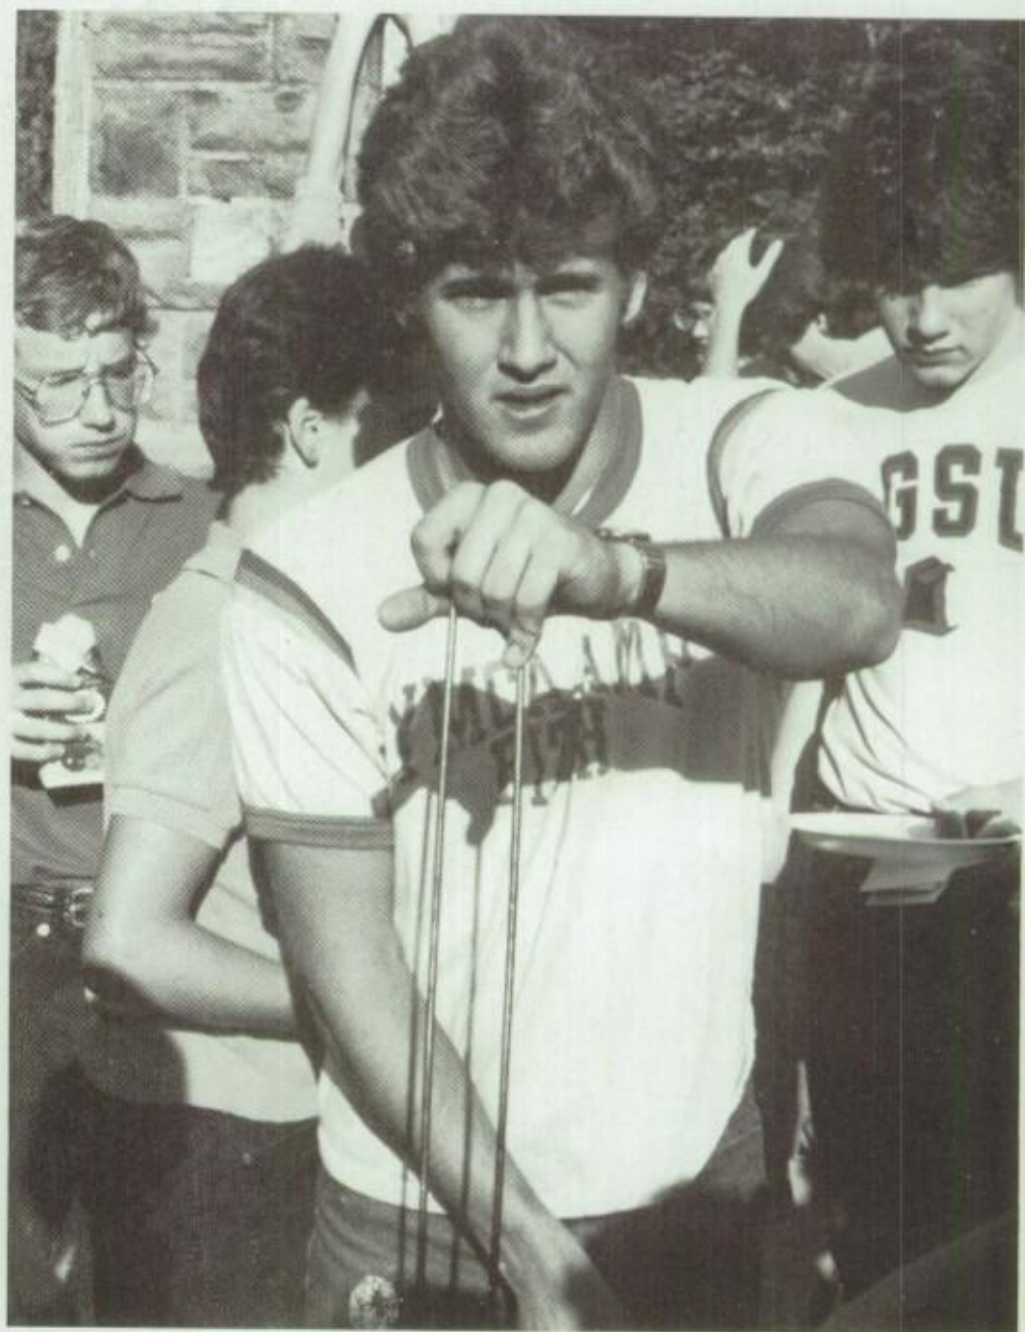

"Gruss dich!" "Wie gehts?" are two expressions one might hear from the round-up of "deutsches." Traveling to the Haufbrau Haus for romantic dining and dancing, and going to the German Village in Columbus for a taste of the "old country" are only two of the many activities this group hosts. One activity is planned for each month including a foreign language picnic or wiener roast at Brushwood Park. The adviser that adds a touch of professionalism to this group is Mr. George Nier.

SPANISH CLUB

"Buenos dias." Spanish Club is a rambunctious lot who love to eat and go tobogganing. The club adviser is Ms. Calevich. Going places like Chi-Chi's, having a bakeoff, or a taco party is common to these students (and teachers!). Even having a party during foreign language week with a breakdancer for entertainment is not surprising. This club's main objective like all others, is to have fun!

The Spanish Club celebrates Christmas!

Spanish Club promoters have a great time at Open House.

DECA or Distributive Education Clubs of America is composed of only juniors and seniors. During the morning these students attend BHS, but halfway through the day a startling transformation takes place. Like Jekyll and Hyde, they turn from normal students into young businessmen and women. They spend the remainder of their day in local businesses, especially in marketing and distributing.

VO-ED

The Cuyahoga Joint Vocational School gives juniors and seniors a chance to start preparing for their future. This offers college-like courses for only the price of materials needed. This two-year program offers such classes as communications, commercial mechanics, auto repairs, electronics, mechanical drafting, medical technology, and cosmetology.

After graduating from Vo-Ed, students easily find jobs open to them in the community.

FOOTBALL

In the shadow of last year's state champions, first-year head coach Ed Herrick led his team to a 4-6 overall record and a 3-3 conference record good for fourth place in the Pioneer Conference. With only two returning starters and three different quarterbacks the team went through a rebuilding year.

Team captains Carl Chiappetta and Dan Hoy made first team All Pioneer Conference along with Matt Quinlan and Paul Berardinelli. Second team honors went to Tom Barno, John Hoy, Tom Beaver, Jim Reardon, and Mike Komorowski. Honorable mention was given to Pete Powers and Steve Augustine.

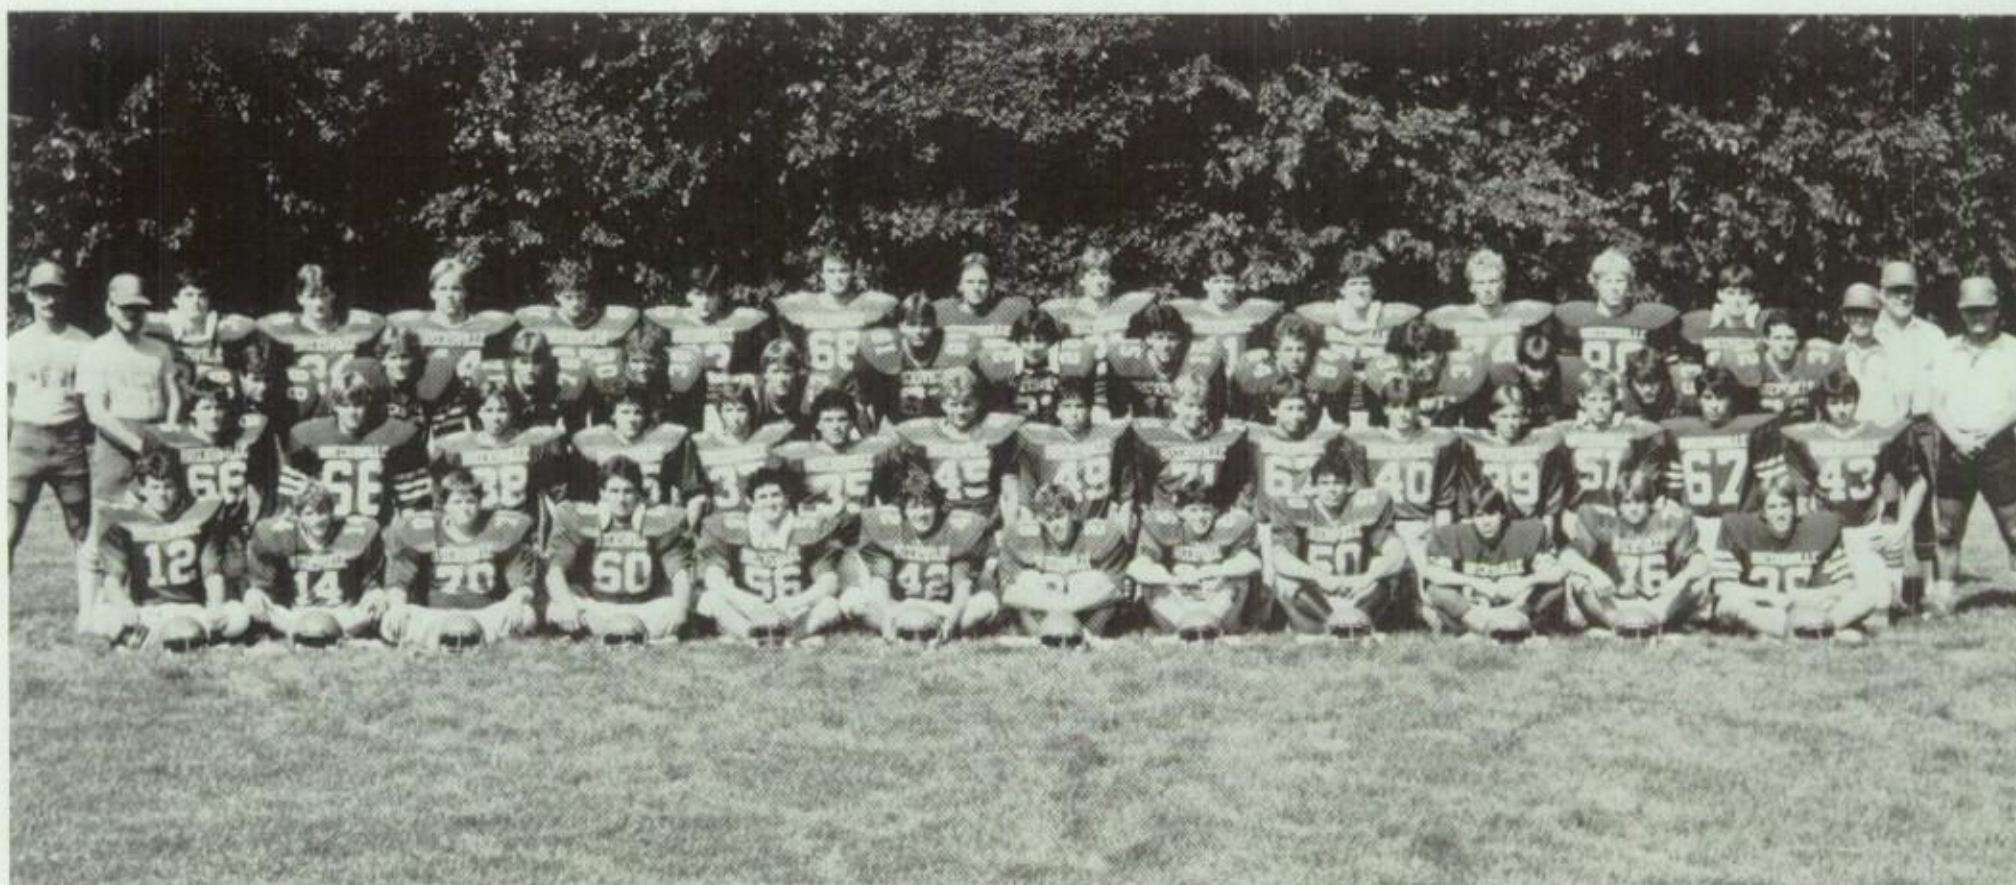

Mike Albrecht leads the offense.

The director was Mrs. Herchler, and the technical director was Mr. Trotta. Everybody had fun, and it seemed that a new tradition was born.

NHS BEACH PARTY

California Girls . . . Surfing USA . . . The Sea of Love . . . these were just a few of the top tunes played at the Annual NHS Beach Party by DJ Mr. Walker.

Saturday, March 9, 1985 students at Brecksville screamed "Surf's Up" as they entered the building which had been decorated as Waikiki. Indoors the surf was up and the overhead lights provided sunshine while outside the moon was up and snow covered the ground.

OPEN HOUSE

Just when parents thought they were finished with school they went back for Brecksville High's open house Tuesday, Nov. 20, 1984. Open house lasted from 7 p.m. to 10 p.m. Parents followed their child's normal school schedule through the evening hours. In the cafeteria, parents were entertained by the Honeybees, the choir, and the school clubs. Parents and teachers met. The parents went home tired and told their children how their night at school went.

HONORS BANQUET

The Honors Banquet was Thursday, May 23, 1985. That was the night when honor students came to school to be recognized. A spaghetti dinner was served in the cafeteria and then parents and students moved to the auditorium for the awards ceremonies. Lorri Kenyon, Chris Toth, and Andy Shaw provided the entertainment. Awards were given to the top ten students in each class, outstanding Vo-Ed students, and outstanding students in specific fields of study such as math, science and English.

Mrs. Tener hands out awards.

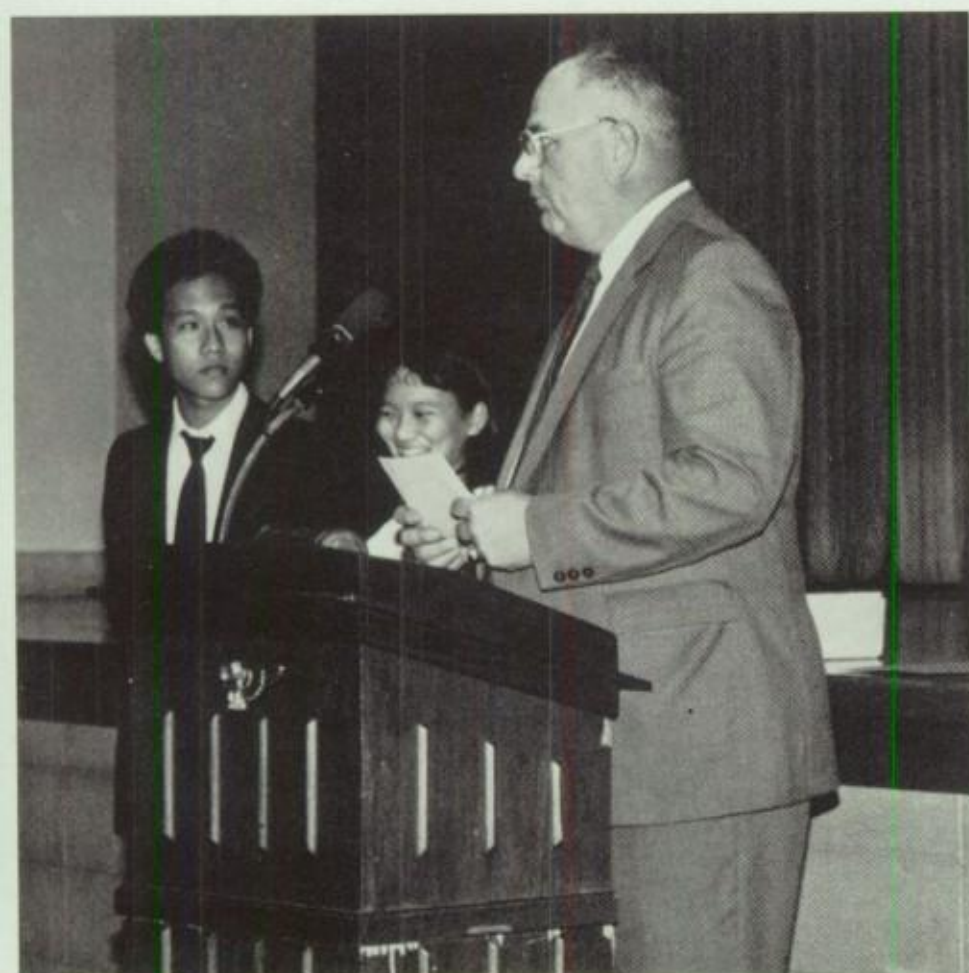

Andy Shaw fiddlese around at the Honors Banquet.

FACULTY

THE GUIDING LIGHT

FACULTY LEADS WAY

It is easy to see how the faculty at Brecksville High School could be called "The Guiding Light." The teachers at BHS gave freely of their time to the student body to help promote each student's individuality. Counseling and tutoring were ways in which teachers guided students through school.

The faculty guided students in the classroom and helped them achieve academic excellence. For example, Miss Foote was named the teacher most influential to the Presidential Scholar Andy Shaw. Also, eight National Merit Semi-Finalists were the successes of the combined efforts of the teachers.

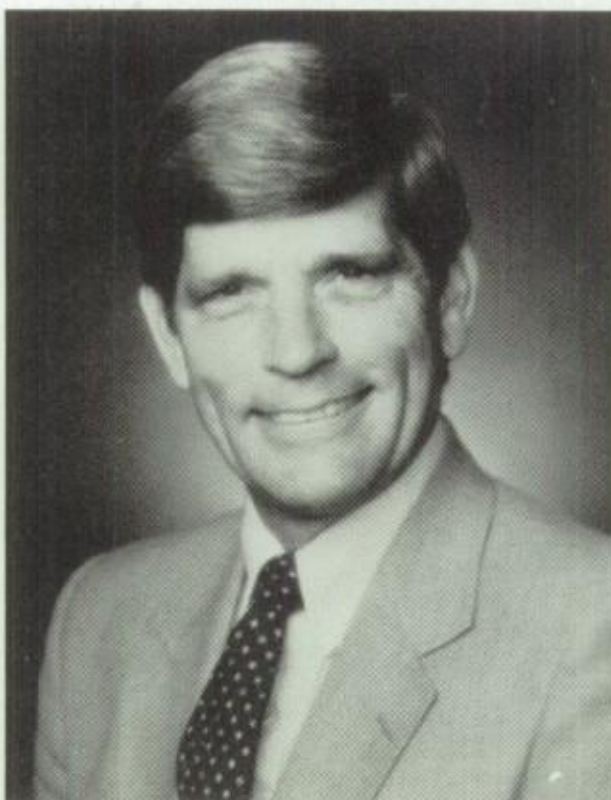

Most of the teachers at BHS were involved in extracurricular activities. Mrs. Herchler and Mr. Trotta devoted endless hours to the drama program. Mrs. Jimenez initiated student participation in Students Against Drunk Drivers (SADD). She also continued to advise the Student Council.

Several teachers once again gave of their time unselfishly to the CARE program.

Publications at BHS exhibited high standards. Mrs. Giffen published an award winning HyBreeze.

In all these aspects of student life, the faculty showed their support and guidance.

Reagan's Budget: A Battle Over Defense

The ultimate recording session: A galactic get-together to relieve A

Even by Hollywood standards, it was a galactic gathering. Michael Jackson and Lionel Richie wrote the song, and everyone from Bruce Springsteen, Cyndi Lauper and Billy Joel to Diana Ross, James Ingram, Paul Simon and Kim Carnes came to sing it. In all, 43 of the biggest names in American pop music assembled in Los Angeles to record "We Are the World," an American answer to the British benefit record "Do They Know It's Christmas," which has raised \$20 million for Ethiopia. But transatlantic competition was not the point: the U.S. musicians hope their own all-star, all-night sing-along will generate between \$50 million and \$200 million for African famine relief.

Pope John Paul II's Gospel

The United States, Israel and West Germany began a new search for Dr. Josef Mengele, the Nazi "Angel of Death."
